## Give us your “To-Do” list and enjoy your weekends

PropertyWorks is a unique, service-oriented company designed to maintain your home from top to bottom. Services range from minor repairs to complete home maintenance and full additions. Relax and let our team of professionals provide solutions for your home.

## What makes PropertyWorks unique?

### One stop

Our team of experts includes carpenters, plumbers, painters, and handymen. We provide exactly the service you need, when you need it. One phone call and your home maintenance projects will be completed in a professional, timely manner.

### MasterPlan

By developing a MasterPlan for your home, projects will be prioritized based on your needs and desired timeline.

### Seasonal CarePlans

We'll provide a comprehensive review of your home and perform CarePlans for Winter, Spring, Summer and Fall.

### Home operating manuals

As one of your biggest investments, your home should come with an operating manual. We'll customize a comprehensive guide to your property which organizes seasonal CarePlans, key facts, paint colors, pool care, appliance warranties and more.

### Selling or buying a home?

Let us help you showcase your home for sale or make a new house your “home”.
